Explore the highlights of the Central Otago Heartland

Stay an extra day at Lauder Store Accommodation and experience a very special treat.

Let us arrange a fully escorted biking adventure in remote Central Otago under the shadow of the stunning Hawkdun Range.

Leaving mid morning we will transport you to the head of Falls Dam. Soak up the grandeur as you ride 12km to a remote picnic area, an ideal lunch stop. Check out the old musterers' hut. [Toilet available]

From here a 20km ride virtually all down hill to St Bathans. Wander around this small gold mining town where time has stood still for 100 years.
